Mandatory Stage 2 Water Restrictions Begin August 29

Effective Monday, August 29, and continuing until further notice, the City of Cedar Park and Block House MUD will be in Stage 2 of the Drought Contingency Plan, which calls for mandatory compliance with this watering schedule for residential customers:

- even-numbered street addresses: Thursday and Sunday
- odd-numbered street addresses: Wednesday and Saturday

Residents are prohibited from watering between the hours of 10 AM and 7 PM.

Commercial watering is permitted on Tuesday and Friday.

Under the provisions of its water supply contract with the City of Cedar Park, the Block House MUD is required, at a minimum, to establish for its residents any voluntary or mandatory restrictions established by the City for its customers.

Stage 2 also imposes additional restrictions on non-essential water use. The complete list of restrictions can be found in [this document from the City of Cedar Park](#). The following are excerpted for your information:

- Washing vehicles is prohibited except on designated watering days
- Operation of ponds and fountains is prohibited
- Washing sidewalks or allowing water to run off property is prohibited

Compliance with this schedule is mandatory and violators will be subject to monetary penalties, as well as disconnection of water utilities.

- First violation - \$100.00 fine
- Second violation - \$200.00 fine
- Third violation - Water meter is subject to removal

You can review the District's entire contingency plan [here](#).
