## **Austin Water to Enact Stage 2 Watering Restrictions September 6**

(Austin)—Beginning Tuesday, September 6, Austin Water will enact Stage 2 Mandatory Watering Restrictions due to the exceptional drought in Central Texas.

Stage 2 Watering Restrictions are in line with the City’s Drought Contingency Plan which states, in part, that the City Manager may order additional water restrictions when the combined lake storage levels of Lakes Travis and Buchanan reaches 900,000 acre-feet. It is anticipated that the trigger will be reached next week.

The City of Austin believes it is necessary to implement additional restrictions to help ensure adequate water supply during the drought. To ensure that both residential and commercial customers follow restrictions, Austin Water staff will begin stepped-up enforcement.

Violations of mandatory watering restrictions will result in an official warning followed by a citation if the violation is not corrected. Citations will be issued in Municipal Court with fines set during Stage 2 at \$475.

**One Day Watering ONLY**
